

Light and transparency are the true stars of this project. We have always liked to think heretically, evoking mystery, magic and seduction. Magia is the new modular suspension lighting system that can be adapted to suit the different heights of the rooms and can generate direct and indirect light with the 360° adjustable module.

In this case, the lens is not used to focus, but to modify the vision and perception of the object.

The effect of the convex lens conceals the part of the light beam and produces the lightest effect of suspension and inconsistency. Luminaire designed also to be powered by ENDLESS conductive tape.

Archiproducts Design Award 2023

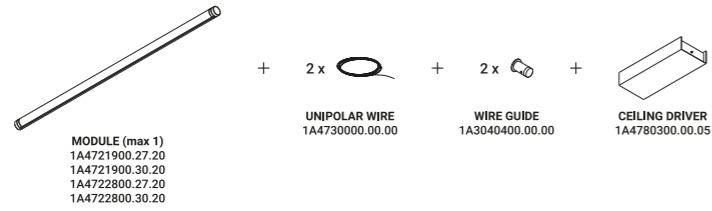

La luce e la trasparenza sono le vere protagoniste di questo progetto. Da sempre ci piace pensare in modo eretico, evocando mistero, magia e seduzione.

Magia è il nuovo sistema d'illuminazione a sospensione componibile e adattabile a seconda delle diverse altezze degli ambienti che può generare luce diretta e indiretta con il modulo orientabile a 360°.

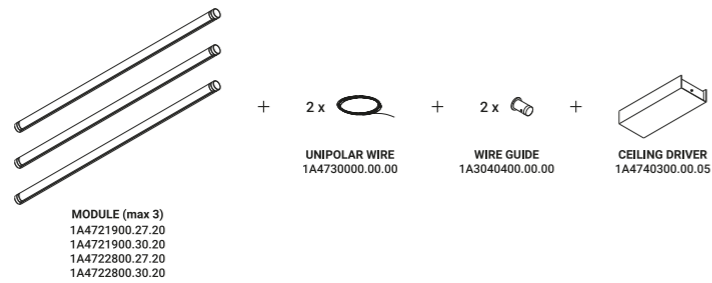

In questo caso, la lente non è usata per focalizzare, ma per modificare la visione e la percezione dell'oggetto. L'effetto della lente convessa permette di celare la parte di emissione della luce e produrre un leggerissimo effetto di sospensione e inconsistenza. Apparecchio illuminante alimentabile anche con il tape conduttivo ENDLESS.

Material	Metal - PMMA
Finish	.19 Polished Gold .28 Polished Black Chrome

Note Modular suspension luminaire. Adjustable along the horizontal axis. Transparent bar with refractive effect. LED module profile with matt black finish. Details with polished gold or black chrome finish. Matt white rose. Possibility for the luminaire to be powered by ENDLESS conductive tape and by dedicated voltage/current (Max 48V DC - Max 150W - Max 4A).

Apparecchio illuminante a sospensione componibile. Orientabile lungo l'asse orizzontale. Barra trasparente con effetto rifrattivo. Profilo del modulo LED con finitura nero opaco. Dettagli con finitura oro lucido o cromo nero. Rosone bianco opaco. Alimentabile anche con il tape conduttivo ENDLESS e tensione/corrente dedicata (Max 48V DC - Max 150W - Max 4A).
